

5-6-7-8-9 OTTOBRE 2015

Clinica Veterinaria Europea e
Milano Natura
presentano:

ECHOCARDIOGRAPHY TRAINING

Relatore:

June BOON BA, MS

Veterinary Teaching Hospital Colorado State University
USA Cardiology Services Coordinator, Echocardiographer,
College of Vet. Med., Colorado State Univ., Fort Collins,
CO-USA

INTRODUCTORY ECHOCARDIOGRAPHY

MONDAY OCTOBER 5

- 9.00 Two Dimensional Imaging Planes: structure identification, subjective assessment and objective measurements
- 10.45 Coffee break
- 11.15 M-Mode Echocardiography : Image acquisition and objective measurements
- 13.00 Light lunch
- 14.30 Demonstration of Echocardiographic Technique – Right Sided - Imaging Planes
- 15.00 Scanning Laboratory
- 16.30 Coffee break
- 17.00 Scanning Laboratory
- 18.30 Closing of the day

THUESDAY OCTOBER 6

- 9.00 Echocardiographic Features of Common Acquired Canine and Feline Heart Disease
- 10.45 Coffee break
- 11.15 Echocardiographic Features of Common Acquired Canine and Feline Heart Disease – cont'd
- 13.00 Light lunch
- 14.30 Demonstration of Correcting Common Scanning Problems
- 15.00 Scanning Laboratory
- 16.30 Coffee break
- 17.00 Scanning Laboratory
- 18.30 Closing of the course

- Esercitazioni con un istruttore ogni 4 corsisti

- Presentazione di casi clinici live con pazienti cardiopatici

- Parte teorica in inglese

ISTRUTTORI

- June Boon
- Dr Luigi Venco (Pavia)
- Dr Andrea Ciocca (Milano)
- Dr Altin Cala (Bergamo)
- Dr Roberto Ghinelli (Parma)
- Dr Giorgio Cagni (Padova)

Segreteria organizzativa e sede corsi:

MILANO NATURA
Piazza Napoli 30/6
20146 Milano

ADVANCED ECHOCARDIOGRAPHY

WEDNESDAY OCTOBER 7

- 9.00 Principles of Doppler Normal Color and Spectral Doppler
10.45 Coffee break
11.15 Hemodynamic Information Obtained from Spectral Doppler (pressure gradients, pressure half time etc)
13.00 Light lunch
14.30 Demonstration of Doppler Imaging – adjusting color controls
15.00 Scanning Laboratory
16.30 Coffee break
17.00 Scanning Laboratory
18.30 Closing of the day

TUESDAY OCTOBER 8

- 9.00 Doppler Features of Common Acquired and Congenital Canine and Feline Heart Disease
10.45 Coffee break
11.15 Doppler Features of Common Acquired and Congenital Canine and Feline Heart Disease
13.00 Light lunch
14.30 Demonstration of Spectral Doppler Imaging including controls
15.00 Scanning Laboratory
16.30 Coffee break
17.00 Scanning Laboratory
18.30 Closing of the day

FRIDAY OCTOBER 9

- 9.00 Doppler Features of Common Acquired and Congenital Canine and Feline Heart Disease
10.45 Coffee break
11.15 Doppler Features of Common Acquired and Congenital Canine and Feline Heart Disease
Introduction to Tissue Doppler Imaging and its practical applications
12.45 Light lunch
14.30 **Tissue Doppler Demonstration**
15.00 Scanning Laboratory
16.30 Coffee break
17.00 Scanning Laboratory
18.30 Closing of the course

ISCRIZIONI

Entro il 20 settembre 2015 :
compilando il modulo sul sito
www.milanonatura.it

Termine di pagamento:
anticipato al momento
dell'iscrizione

IT08Z0521601623000000001115
Bic Swift : BPCVIT2S
intestato a MILANO NATURA
causale: ecocardio + cognome

Posti disponibili : 24

Quota di partecipazione:

- **Introductory course**
450 € + IVA
- **Advanced course**
650 € + IVA
- **Introductory & Advanced**
950 € + IVA

La quota è comprensiva di
coffee break, light lunch e atti
